

Atty. Dkt. No. 030307/0191

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: KIM SORENSEN et al.
Title: FOOD-GRADE CLONING VECTOR AND
THEIR USE IN LACTIC ACID BACTERIA
Appl. No.: 09/673,617
Filing Date: January 25, 2001
Examiner: Unassigned
Art Unit: Unassigned

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Submitted herewith on Form PTO-1449 is a listing of documents known to Applicants in order to comply with Applicants' duty of disclosure pursuant to 37 CFR §1.56. A copy of each listed document is being submitted to comply with the provisions of 37 CFR §1.97 and §1.98.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

CONCISE EXPLANATION OF
RELEVANCE OF EACH DOCUMENT

In order to comply with Applicants' duty of disclosure pursuant to 37 C.F.R. §1.56, submitted herewith on Form PTO-1449 is a listing of documents cited in the International Search Report of Applicants' International Application No. PCT/DK99/00209. A copy of the International Search Report setting forth the portion of each reference considered relevant by the Examiner is attached.

The relevance of Documents A6, A8-A13 and A15-A17 is described in the present specification.

The listed documents are being submitted in compliance with 37 CFR §1.97(b), within three (3) months of the filing date of the application.

Applicants respectfully request that any listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO-1449 be returned in accordance with MPEP §609.

Respectfully submitted,

By 

Date January 25, 2001
